Helping the Helpers

Would you like to be involved in your community and be recognised as a company that likes to give something back?

Become a Gold, Silver or Bronze member of United Way New Zealand through their Corporate Membership programme and be involved in giving both your time and an annual donation to help make some big differences in your community.

United Way New Zealand is an independent, non-religious, non-political, volunteer based organisation that works alongside individuals, corporations, government and the community to provide funding assistance, time and skills to charities in your community.

Corporate Membership donations not only go to local charities but also help fund the United Way New Zealand operation. This allows United Way to distribute significant funds to a whole range of charities in your community through numerous human need donor programmes.

The charities that receive your donation apply for funding through a strict application process and must adhere to funding guidelines and performance outcomes as agreed to with United Way New Zealand. All charities are also monitored and audited annually, so you definitely know your donation is going to the right place and is helping the right people!

The amount you would like to give annually fits into one of three membership levels...

Gold Membership	above \$10,000 annually
Silver Membership	\$5001 – \$10,000 annually
Bronze Membership	\$1000 – \$5,000 annually

As a Gold, Silver or Bronze Corporate Member you receive membership benefits such as:

- > Exclusive options on Employee Community Involvement (ECI) services;
- > Exclusive sponsorship and profile opportunities;
- > Executive networking opportunities;
- > An invitation to the annual Grant Allocation dinner;
- > Quarterly United Way New Zealand newsletter;
- > Recognition of significant community investment.
